

Elevate Applied

Elevate Applied: Continuous Leadership Development Beyond Certification

Elevate Applied is a comprehensive post-certification program designed to support leaders who have completed ElevatePrep, Elevate or Elevate+. This program provides ongoing resources, coaching, and learning opportunities to help you continuously develop your leadership skills and apply proven methodologies in your daily work.

Please note: Elevate Applied is currently under development. Content and offerings will be expanded and refined based on participant feedback and program evolution.

Continuous Learning Philosophy

Elevate Applied operates on the principle that leadership development is an ongoing journey, not a destination. The program provides multiple pathways for continued growth:

Apply - Put Elevate concepts into practice with real workplace challenges

Connect - Build relationships with other leaders facing similar challenges

Develop - Continuously refine and expand your leadership capabilities

Contribute - Share your learnings and mentor others in their leadership journey

Program Benefits

Hone Membership License

Premium Access to Elevate-Style Learning Experiences

- Complimentary Hone membership for all GitLab team members
- Access to live, interactive learning sessions with industry experts
- On-demand leadership development content library
- Peer learning opportunities with leaders from other organizations
- Skill-building workshops aligned with Elevate methodologies
- Flexible scheduling to accommodate your work commitments

Professional Coaching

Please note: The next iteration of our Elevate Applied Coaching offering is under development, more details will be released soon.

All leaders who have earned their Elevate certification gain access to the following exclusive benefits. Elevate Applied 1:1 Coaching is an opportunity for managers to work 1:1 with GitLab-trained professional coaches on specific skills. Eligibility is open to all people managers with priority given to applicants who have completed Elevate/Elevate+. This offering is covered by your Growth and Development Fund as a recommended coaching experience. Unlike other G&D submissions, participants will not cover costs up front; this will be directly billed to GitLab and covered by the G&D allocation for each participant.

Ongoing 1:1 Leadership Coaching

- Access to certified professional coaches specializing in leadership development
- Personalized coaching sessions focused on your specific leadership challenges and growth areas
- Integration support to help you apply Elevate concepts in real workplace situations

Masterclass Content Partnership

Our curated Masterclass content provides you with access to insights from renowned leaders, innovators, and experts who have shaped industries and transformed organizations.

These courses complement the core principles you learned in Elevate—from effective communication and team building to strategic decision-making and authentic leadership. Whether you're looking to refine your coaching techniques, strengthen your executive presence, or develop advanced problem-solving skills, Masterclass offers real-world perspectives from leaders who have navigated complex challenges at the highest levels.

Featured Masterclass Content

- Crafting Your Professional Presence
- Critical Leadership Training
- Strategic Decision Making
- Leading with Purpose
- Values Driven Leadership
- Authentic Leadership

Note: Masterclass content will be regularly updated and expanded. Check back frequently for new additions and seasonal offerings.
